

# Hazelwood School

We are delighted with the performances of all the children from 2017-18's Oak Reception classes. In their end of year EYFS assessments, they secured excellent results which compare very favourably with the national average. Their performance is testament to their hard work and to the inspiration of the staff who have created a stimulating and supportive environment in which the children want to learn.

Well done to everyone!

Category	Group	Hazelwood Score	National Average
Expected or exceeded in all 17 Early Learning Goals	Boys & Girls*	95.3%	70.2%
